Office: CAE 113
Phone: 210-486-0340

Office Hours:
Monday  1 - 3:30 pm
Tuesday  1 - 4:00 pm
Wednesday  8:15 - 9:15 am
Thursday  8:15 - 9:15 am & 1 - 3:30 pm

Materials

Description

A study of the 1) research and theory in the psychology of learning, cognition, and motivation, 2) factors that impact learning, and 3) application of learning strategies.

Prerequisite(s)

Ready for INRW 0420

Objectives

- Students will identify strengths and weakness of personal values, beliefs, and attitudes
- Students will gain an understanding of various types of knowledge
- Students will discuss a variety of theories of learning and cognition
- Students will engage in self-regulated learning (goal setting, reflection and evaluation, monitoring, note-taking, organizing, time
management, study skills, test-taking, study aids, etc...)

- Students will actively engage in critical reading, writing, and academic research (include academic integrity, text annotation, evidence for arguments, critical thinking)
- Students will use/demonstrate various learning strategies
- Students will be able to transfer skills across disciplines
- Students will describe basic theories of learning, memory, cognition, and motivation
- Students will interpret findings from quantitative analyses for the development of their personal goals
- Students will interpret data patterns to understand results of learning assessments (LASSI, MSLQ, etc).
- Students will communicate findings
- Students will navigate and utilize student and academic support services
- Students will enhance and/or acquire interpersonal skills to work collaboratively, communicate effectively, and develop a career and/or academic project/activity
- Discuss characteristics of effective leadership and identify leaders in their communities and their own lives
- Students will demonstrate leadership skills that promote personal and community responsibilities and civic engagement
- Students will identify personal strengths of their own leadership styles

### Outcomes

**Learning Outcome 1:**
Students will explore, identify and develop values, beliefs and attitudes through the study of the psychology of learning and cognition.

**Learning Outcome 2:**
Students will develop and use effective learning strategies through research of theoretical models of strategic learning.

**Learning Outcome 3:**
Students will interpret assessment results and understand motivational theories as they apply to diverse learning environments in the development of personal, academic and career goals.

**Learning Outcome 4:**
Students will be able to demonstrate and exhibit the theoretical understanding of interpersonal behaviors needed to succeed in the college and career environment.

**Learning Outcome 5:**
Students will explore a variety of leadership models and theories, fostering personal leadership skills, civic engagement, and community responsibility.

### Course Policies

**Method of Measure:**

1. Students will submit a paper, project, presentation or other instructor devised measure.
2. Students will submit a paper and/or comprehensive exam.
3. Pre-Post Assessment Scores or instructor devised measure.
4. Student will submit a career research project.
5. Comprehensive final exam or instructor devised measure.

**Instructor's Grading Criteria**

- Participation 10%
- Tests 25%
- Assignments 45%
- Leadership Presentation & Career Project 20%

A= 90 - 100,  B=80 - 89,  C= 70 - 79,  D= 60 - 69,  F= 0 - 59
A grade of C or higher is needed to successfully complete this course.
Attendance and Electronics Policy

Class attendance is expected. A student absent for any reason is responsible for all work missed.

You will receive credit for class attendance if you arrive on time and stay until the end. If you arrive after role is taken, you are responsible for making sure that the instructor has you marked as present for the day.

You will receive 1/2 credit for daily attendance/participation if you:
- are tardy
- have your phone or other electronics out
- leave room during class
- you fall asleep in class.

If you are absent the equivalent of two weeks, you may be dropped from the course based on your performance. Note: After the last day to withdraw from classes, you cannot be dropped and will receive a grade in the class.

Electronic Devices:

Phones, iPods, pagers, etc. must be silenced and put away when you enter class. If you have an emergency situation that requires your cell phone to be on, please notify your instructors at the beginning of class. Lap tops, iPads, etc. can only be used for the purpose of accessing your text book during class.

Assignment Due Dates

All assignments are due on the due dates. Assignments will be accepted one class day late, but will receive a 20-point deduction on grade. Assignments later than one class day will not be accepted.

All tests must be completed by the due dates.

Institutional Policies

STUDENT RESPONSIBILITIES:

A. Attendance:

Effective Spring Term 2010, student absences will be recorded from the first day the class meets. Regular and punctual attendance in all classes and laboratories, day and evening, is required. Students who are absent for any reason should always consult with their instructors. Course syllabi must provide specific information regarding attendance, including, for courses involving the internet, online activity that constitutes “attendance.” Also, both tardiness and early departure from class may be considered forms of absenteeism. In all cases, students will be held responsible for completion of course requirements covered in their absence.

Additionally, it is the student’s responsibility to drop a course for nonattendance. Course instructors establish policy with regard to attendance in their respective syllabi and may drop a student for excessive absences. Absences are considered excessive when more than 12.5 percent of the total contact hours of instruction in a semester, including lecture and lab, are missed. For example, in a three-credit-hour lecture class, students may be dropped after more than six contact hours of absences. In a four-credit-hour lecture/lab class, students may be dropped after more than eight contact hours of absences. Absences are counted regardless of whether they occur consecutively.

In special programs with additional accreditation or certification standards, additional attendance requirements may be enforced but faculty must clearly explain these policies in their syllabi. Students who stop attending class for any reason should contact the instructor and the college registrar to officially withdraw from the class. Students may be required to consult with an advisor or designee before dropping.

Failure to officially withdraw may result in a failing grade for the course. It is the student’s responsibility to withdraw officially from a class by submitting a completed Withdrawal Form to the Admissions and Records Office.

B. Early Alert and Intervention

Alamo College instructors care about students’ success in every course. During the semester, students may receive alert emails through the ACES account regarding their progress and ultimate success in a course. Upon receipt of the email, students are to
contact the course instructor to discuss specific tasks or actions to improve success in this course. In addition, students will also need to meet with their Certified Advisor. Discussions with faculty and Certified Advisors allows the student to identify actions that will help to successfully complete course requirements at Alamo Colleges.

C. Student Responsibility for Success (Alamo Colleges Policy F.6.2):

As members of the Alamo Colleges learning community, students, faculty, staff and administrators all share the responsibility to create an atmosphere where knowledge, integrity, truth, and academic honesty are valued and expected. A clear acknowledgment of the mutual obligations of all members of the academic community emphasizes this implicit partnership in fostering the conditions necessary for student success.

In this relationship, the Alamo Colleges provides institutional policies, procedures, and opportunities to facilitate student learning that encourage interaction, involvement and responsible participation. Inherent in the academic climate is the expectation that students will assume responsibility for contributing to their own development and learning. Academic success is directly tied to the effort students put into their studies, the degree to which they interact with faculty and peers, and the extent to which students integrate into the campus life.

1. Engagement

1. Create connections and build relationships with faculty, staff and students (visit during office hours, join clubs and organizations, participate in student activities, etc.);
2. Stay informed of policies, procedures, deadlines and events for academic and co-curricular activities;
3. Complete all requirements for admission, registration, and payment by deadlines;
4. Apply for financial assistance, if needed, complying with all federal, state and local regulations and procedures;
5. Meet all federal, state and local health care regulations.

2. Communication

1. Seek guidance from faculty, advisors or counselors for questions and concerns in regards to degree plans, major selection, academic status, grades, and issues impacting college success;
2. Develop a peer support system to identify student contacts for questions, group assignments, etc. regarding academic and co-curricular activities;
3. Communicate with College personnel promptly regarding academic or co-curricular concerns and assistance requests;
4. Carefully consider the information provided by College personnel and make decisions using that information;
5. Check the Alamo Colleges’ Web Services regularly for emails, holds, student records, financial aid status and announcements;
6. Submit disability documentation if seeking services and request academic accommodations in advance of each semester.

3. Academic Success

1. Complete courses with passing grades and maintain good academic standing (2.0 GPA) status;
2. Read and follow all syllabi;
3. Purchase textbooks and required supplies in a timely manner;
4. Attend classes regularly and on time, with as few absences, late arrivals, and early exits as possible;
5. Arrive to class with all needed materials and completed assignments for that class period;
6. Be attentive in class and actively participate as appropriate;
7. Devote sufficient time for studying;
8. Ensure integrity in all aspects of academic and career development;
9. Accurately represent one’s own work and that of others used in creating academic assignments. Use information ethically and exercise appropriate caution to avoid plagiarism on all assignments;
10. Notify faculty in advance or as soon as possible about absences and provide documentation as appropriate;
11. Consult faculty members in advance when unable to complete projects, assignments, or take examinations as scheduled.

4. Self-Responsibility and Responsibility to Others

1. Maintain accurate and complete degree/certificate major selection and contact information including name, address, phone number and emergency contact;
2. Balance personal obligations and educational pursuits. Work with a counselor / advisor to design a realistic schedule that dedicates adequate effort to be successful in college studies;
3. Know and follow the regulations and guidelines outlined in the Student Code of Conduct and Student Handbook;
4. Maintain respectful and appropriate behavior within and outside the classroom;
5. Ask for help when needed. Use all available resources and facilities provided by the College to enhance the learning experience;
6. Attend scheduled advising sessions, tutorials, and other appointments. Cancel or reschedule only with good reasons as early as possible;
7. Arrive prepared for tutorial sessions, bringing all needed materials (books, syllabi, rough drafts, calculators, assignment sheets, etc.).

D. Textbook Availability

A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

COLLEGE REQUIREMENTS:

While other exams are given at the discretion of the instructor, a final assessment is given at the end of each semester for each course. The Final Exam Schedule changes with each term and differs from normal class meeting dates and times. See the Final Exam Schedule in the Catalog/Schedule of Classes in the left hand navigation bar.

A student who must be absent from a final evaluation should petition that instructor for permission to postpone the evaluation. A student absent without permission from a final evaluation is graded “0” on the exam.

Incomplete Grades. The conditional grade of “I” may be issued to a student having a passing average on all completed coursework but for a justified reason, such as illness or death in the family or by providential hindrance, has been prevented from taking the final examination or completing other required coursework. The “I” becomes an “F” in one hundred twenty (120) calendar days from the end of the term unless the student completes the balance of the coursework with a performance grade of “D” or higher. Re-enrollment in the course will not resolve the “I.” The student and faculty must fill out an Incomplete Contract, clearly defining the work remaining to be finished.

College Policies

COLLEGE POLICIES:

A. San Antonio College is a smoke free campus.

B. Alamo Colleges Police Department Emergency Phone Numbers:

   Emergency Phone (210) 485-0911
   General Phone (210) 485-0099
   Weather Phone (210) 485-0189 (For information on college closures)

C. A Rapid Response Team exists for the purpose of responding to emergencies. If you have a disability that will require assistance in the event of a building evacuation, notify San Antonio College disABILITY Support Services, Chance Academic Center 124C, (210) 486-0020.

D. Students are required to silence all electronic devices (e.g., pagers, cellular phones, etc.) when in classrooms, laboratories and the library.

E. Students must abide by the policies, procedures and rules set forth in the “Student Code of Conduct” and all other policies set forth in the San Antonio E-Catalog.

F. Student Success Policy:

Disability Access Statement – In accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act, it is the responsibility of the student to self-identify with the campus Disability Services office. Only those students with appropriate documentation will receive a letter of accommodation from the Disability Services office. Instructors are required to follow only those
accommodation and/or services outlined in the letter of accommodation. For further information, please contact the San Antonio College disABILITY Support Services office at (210) 486-0020 or visit the office located on the first floor of the Moody Learning Center. If you have specific needs, please discuss them privately with your instructor.
